Description:

A near fine example of Senex's 2 sheet map of Poland, one of the largest maps of Poland ever to appear in an English Atlas. The map extends from the Baltic, Silesia and Hungary in the West to Biela, Molenskow and Severia in the East, showing Poland at at one of its grandest configurations. Nice detail throught. Large format decorative cartouche. A near fine example of this large format map, which rarely appears on the market, rarer yet in such fine condition.
