Description:

A wonderful map of the Southern Hemisphere, showing Australia, New Zealand and part of SE Asia, Africa and South America. The primary feature of the map is the remarkably detailed depiction of the various voyages in the Southern Hemisphere, including the voyages of Mendana (1595), Quiros (1606), Le Maire and Schoeten (1616), Tasman (1642), Halley (1700), Roggewein (1722), Bouvet (1738-39), Carteret (1767), Wallis (1767), Byron (1768), Bouganville (1768) Cook (1770-75), and others. In addition to the map is a wonderful set of tables of Latitudes and Discoveries, covering approximately 60 islands, bays, and other locales. A highly collectable map.
