**Size:** 13 x 9.5 inches  
**Price:** SOLD

### Description:

Gorgeous full color example, with decorative vignettes showing The Grand Canal in Venice and St. Peter's in Rome, plus two other vignettes. Two minor spots, but still an attractive example. Engraved for R. Montgomery Martin's Illustrated Atlas. Tallis was one of the last great decorative map makers. His maps are prized for the wonderful vignettes of indigenous scenes, people, etc. Remarkable color.
