Description:

Nice full color example of Münster's general map of Asia, based on the reports of the Portuguese, Arabs, and Marco Polo, including Cathay, Quinzay and the famous 7448 islands supposed to represent the present-day Phillipines (Palawan). From the 1569 German edition of Munster's Cosmographia, one of the most important works of the 16th Century. The map has been trimmed to just below the lower neatline, without loss of image, and sufficient for framing. Normally a \$1200 map.
