Description:

This very detailed map shows the Diocese of Beziers. In the upper right part of the image is a town plan of Beziers. The map image reaches a far north as the diocese of Vabres and the Orb River. In the lower left part of the map image is Narbonne and Lesignan. On the right side of the map image is Montpellier. On both sides of the map image, as well as at the bottom of the print are explanations keyed to the map image and town plan. Faint dampstain, but a nice example.
