Description:

Highly detailed map of Sweden & Norway in outline and wash color. Shows towns, roads, rail roads, mountain, rivers, lakes, fjords, islands, and a host of other details. One of the best large format commercial atlas maps of Sweden & Norway of the period. John Arrowsmith was the son of Aaron Arrowsmith, one of the most celebrated English Cartographers of the late 18th and early 19th Centuries. Arrowsmith's highly detailed and technical maps became the standard for English cartography at the time it was attaining primacy in commercial map publication. This map appeared in Arrowsmith's London Atlas, one of the most coveted of all 19th Century English Language Atlases.
