Description:

An old color example of these two regional maps by Ortelius. The Tirolian map extends from Mantua, Verona and Vincenza to Furstenfeld, Mildorf and Wasserburg and is centered on Innsburck. Salzburg also appears. The second map extends from the Islands os Cigola and Osero to the Savus River. Nice dark impression and wide margins. From the 1592 Latin edition of Ortelius' Theatrum Orbis Terrarum, the first modern Atlas. An old fold split and some paper taped over old manuscript at the bottom of the map, else a nice old color example. Van Den Broecke 116.
