Description:

Large detailed map of the Region bounded by the Mediterreanean, Southern Russia, the Gulf of Venice and Asia Minor. Extremely detailed. The map shows the Ottoman Empire, circa 1720 and includes and ornate decorative cartouche. This is the first state of the map, which was re-issued by John Wyld for nearly 100 years. Bit of loss in the margins, far from the printed image and a bit of offsetting, but generally a nice example.
