Amerique Septentrionale

Stock#: 10476
Map Maker: Bonne
Date: 1780
Place: Paris
Color: Uncolored
Condition: VG+
Size: 12 x 8.5 inches
Price: SOLD

Description:

A dark strong impression of this excellent map of North America, showing nice detail east of the Mississippi and along its tributaries but with very little detail to the west, except in the Southwest. The map shows a unique dog leg Baja configuration and some hint of the changes to come along the Northwest coast, although still largely conjectural. A marvelous map in fine condition.
