Description:

Nice old color example of this set of three maps on a single sheet, including the region around Villach on the Dravus River, the Gulf of Trieste and Quernero and the region around Zara and Sebenico. Very detailed regional maps, one of which even shows bridges across the river. From the 1592 Latin edition of Ortelius' Theatrum Orbis Terrarum, the first modern Atlas. Fold splits top and bottom, and some extra paper pasted to the lower margin, not affecting the printed image. Van den Broecke 143.
