Description:

One of the best editions of the map, which for the moment continues to show Dacotah Territory extending well west of the Missouri River. Dacotah Territory is filled with Indian lands, naming no less than 5 different bands of Dakota Indians, as well as many others. Nice detail along the Missouri and its Tributatries. Several early forts are noted including Ft. Pierre, Ft. Lookout, Ft. Clarke, and Ft. Berthold. A number of counties are still not formed in Minnesota. Stevens route is shown for the Northern Pacific, along with existing and other proposed rail lines.
