Stock#: Map Maker:	10885 Anson
Date:	1748
Place:	London
Color:	Uncolored
<b>Condition:</b>	VG-
Size:	19 x 19 inches
Price:	SOLD

## **Description:**

Good example of Anson's map of the Southern Part of South America, showing Anson's tracks from Brazil around Tierra Del Fuego to Juan Fernandes Island, off the Coast of Chile. Includes magnetic compass variances and a host of other details. Very detailed through Tierra Del Fuego and the Straits of Magellan. A few minor tears at the folds, but generally a nice example.
