### Description:

Nice example of this fine map of Alabama, from the first edition of Carey & Lea's Atlas. Many counties still not formed. Size includes text below map, which includes wonderful contemporary details concerning the topography, indigenous lands, rivers, climate, towns, manufacturing, commerce, education, history, population by county (divided into white, free colored, and slaves) and information concerning important battles. From the first edition of Carey & Lea's Atlas. The atlas was issued in 6 editions in English, French & German between 1822 and 1827. Minor restoration and reinforcement at the centerfold, but still a nice example.
