Description:

Gorgeous example of this large format separately issued map of Arizona Territory, printed by Julius Bien & Co. in New York. The map key helps identify the office of the Surveyor General, US Land Offices, County Seats, completed railroads, railroad land grant limits, military reservations, private grants confirmed, private grants unconfirmed, Indian Reservations, counties and townships. Many of the treaty/settlement dates are shown, along with private ranches and many other fine details. Dissected and laid on linen, as issued, with a University of California Library stamp on the verso and a note that the map was a gift of the London Assurance Co. Perhaps the single best obtainable map of Arizona during the period.
