Description:

Rare miniature map of the Great Lakes, Canada and Northeastern US, from the rare 1792 edition of Gibson's Atlas Minimus. The map extends to west of Lake Michigan, where notes regarding the boundary with the 6 Nations and the many Indians of the west are included. Includes several early forts and other details. This is the rare second edition of the map, which includes reference to the United States. The three prior editions of 1758, 1772 and 1778 all reference the English Settlements only. McCorckle 758.4
