United States and Texas

Stock#: 11579
Map Maker: Johnston
Date: 1845
Place: Edinburgh
Color: Outline Color
Condition: VG
Size: 24.5 x 19.5 inches
Price: SOLD

Description:

A large and detailed map of the United States, featuring the Republic of Texas in a large configuration w/an oddly shaped stovepipe. A note reflect the independence of Texas and the date of its recognition by Great Britain. Oversized Iowa extends to the the Canadian Border. The map includes remarkable detail in Texas, including roads, rivers, towns, forts, mountains and other important details. Minor fold split, just touching decorative border, else a nice example.
