Description:

Scarce map of Florida, the Carolinas north to Cape Hatteras and the western Caribbean based upon the voyages of Alonso d'Ojedo and other contemporary work. The map derives its name from an Indian Village on the River Jordan. In addition to Chicora country, Duare Country and Alpache country are also shown. A fascinating early projection of Florida. An interesting and highly collectable map of the region, naming rivers, settlements, islands, bays and other features, both on the mainland and in the Caribbean, where the map extends to St. Croix and Virgin Gorda. Decorative cartouche. Cumming Mapping of the Southeast 141. Scarce and desirable.
