Description:

Scarce map of the Eastern Caribbean (beginning with the Virgin Islands) and part of South America, from Margarita and Trinidad Islands to Cayenne and Lake Parima, including a nice treatment of the Orinoco. The West Indies coverage includes the Virgin Islands, west to St. Thomas and St. Croix, along with the Leeward and Windward islands. Nice detail. The map is quite rare, having appeared only twice in dealer catalogues in the past 25 years.
