Description:

Decorative map of the Gulf Coast, Caribbean and Central America, extending north to include Port Royal, South Carolina. Nice example of the St. John's River misconception and the misshapen Florida, after Herman Moll. The Bahamas are shown in great detail, as is the entire Caribbean. Nice detail throughout central America. Fort Louis in Texas is shown, along with Bernard's or Louis Bay. And Lake St. Joseph. A number of forts shown along the Gulf Coast. Striking full color example.
