Western Hemisphere

Stock#: 12326
Map Maker: Colton
Date: 1855
Place: New York
Color: Hand Colored
Condition: VG+
Size: 14 x 13 inches
Price: SOLD

Description:

Attractive map of the Western Hemisphere in vibrant color. Nice detail in the Antarctic, where the coastal outlines are beginning to take shape. From the scarce 1859 edition of Colton's atlas, which is the first to include the imprint of Johnson & Browning, one year before these two publishers created their own New Illustrated Family Atlas of the World. Fine attractive color and decorative border. Minor repaired tear, but a nice example.
