### Description:

A striking example with rich original color of Waldseemüller's map of Cyprus, Syria, Mesopotamia, Babylonia, Arabia Petraea, Armenia Minor and the Holy Land, based upon the Geography of Claudius Ptolemy from the Second Century, A.D. This example, issued by Waldseemüller, one of the most noted early 16th Century map makers, is a marvelous large format presentation, presented in striking old color. A few very minor worm holes, but generally a gorgeous wide margined example. Laor, 608.
