## A New and Accurate Map of the Province of Georgia in North America

**Stock#:** 13367  
**Map Maker:** Universal Magazine  
**Date:** 1779  
**Place:** London  
**Color:** Uncolored  
**Condition:** VG+  
**Size:** 13 x 11 inches  
**Price:** SOLD

### Description:

Scarce map of Georgia, extending from the Savannah River and parts North to the Appalachiola River, and touching on East and West Florida. A number of early roads are shown, including several trading paths, early forts and Indian references. One of the few Colonial American Maps to focus on Georgia. Nice example, attractively colored, with margin extended in the lower left for framing. A superb example.
