**Condition:** VG  
**Size:** 10 x 6 inches  
**Price:** SOLD

**Description:**

Interesting map of the World on a reverse projection, showing the coastal outlines of the world. The projection is reversed, as if looking at the earth from inside its core. Nice early Australia and Antarctic coastal outlines, as well as partial New Zealand. From a scarce work by the heirs of Nicholas Sanson. No prior listings in dealer catalogues in the past 20 years.

**Detailed Condition:**
