Description:

A beautiful map of Northeastern Canada, including Nova Scotia, Labrador and Newfoundland.

The map's vertical format elongates the geography and distorting Newfoundland. The St. Lawrence River runs nearly north-south.

The map is very detailed, especially along the coastlines and rivers. Many place names, both European and Indian. At bottom right is a scene with several sailing ships. At top left is a huge decorative title cartouche featuring allegorical figures, Indian chiefs, explorers, mapmakers, a fleet of ships, fishermen and wildlife.
