Description:

Rare Morden & Berry edition of John Seller's map of the same title, engraved by Lamb. Extends from Normandy and Southampton to Texel and York, centered on Essex, Kent and Suffolk, along with the Flemish Coast and Antwerp. The map has been remargined, with some neat line reinstated, but is in generally good condition, with a nice dark impression. Extremely rare. We were not able to locate any auction or dealer records for the map dating back 30 years.
