This rare Covens & Mortier map includes a wonderful full color view of the sound between Denmark and Norway (looking from southward), illustrating Malmoe, Landskron, Uraniberg on Ween Island on the Swedish side and Copenhagen, Helsingor and Cronenborg on the Danish Side, with a number of sailing vessels and war ships in the sound, and with a second view next to the cartouche, showing a naval attack on what appears to be Landskron. Includes soundings. Full wash color, with the colors in the views especially fine. The map has not been listed in a dealer catalogue in the past 20 years.
