Description:

Early regional map from Duval's *Le Monde Terrestre*, first published in 1659, although no copy located pre-dates 1660. Includes an early depiction of the Chesapeake region, the mythical Lake May above Floride, Jamestown, Cape Henry, Secot, Pomeiok, an early reference to Manhattan and New Amsterdam and an inset of Bermuda. The example offered here is an unrecorded variant of the fourth state (the first to mention Manhattan), with a slightly different title. A scarce example in fine condition. Original outline color.
