San Francisco in November 1848

Stock#: 1446

Map Maker: Meyer's Universum

Date: 1855

Place: Hildeburghausen

Color: Uncolored

Condition: VG

Size: 6.5×4 inches

Price: SOLD

Description:

Terrific steel plate engraved view of the City of San Francisco from the hills, facing the bay. The view is intended to show the simple town which predated the gold rush, standing in stark contrast to the companion contemporary view illustrating the town only a few years later. A few buildings and sailing craft shown, with Alcatraz in the backgound. A wonderful early historical view.
