**Description:**

Blaeu's map of Scandinavia, based upon Anders Bure's highly important map, published in 1626. A surveyor and mathematician, Bure compiled an important map of the northern part of Sweden and the first separately printed map of the country. Bure was an important figure in the history of Swedish cartography and set up a land surveying office which continued for over 200 years. Nice full color example, with sailing ships and decorative cartouche and 3 coat of arms. German text on verso.
