## Australia

**Stock#:** 15035  
**Map Maker:** Johnston  
**Date:** 1851  
**Place:** Edinburgh  
**Color:** Outline Color  
**Condition:** VG+  
**Size:** 24 x 19.5 inches  
**Price:** SOLD

### Description:

Highly detailed map of Australia. Very early note on the creation of the Province of Victoria. Counties shown in NSW and Western Australia. Very little detail in the interior. Includes a key with historical notes between 1788 and 1851. Historical notes on the early Dutch discoveries shown, along with other interesting early information. Decorative Piano Key border. Fine example, on thick heavy paper. From Johnston's scarce National Atlas.

### Detailed Condition:
