Price: SOLD

Description:

Decorative map of the Mediterranean and contiguous lands. The map was used to illustrate the Dutch Translation of the travel narrative of German explorer, Michiel Heberer. Heberer (1560-1623/33?) has been called der pfälzische Robinson, or Robinson Crusoe of the Palatinate, because of his unlucky sea voyages recounted here. The engraved map shows Heberer's route around the Mediterranean Sea and the Black Sea.
