Price: SOLD

Description:

Decorative map of the region centered on Poland and Russia, extending from the Black Sea and the Gulf of Venice to the Baltic Sea. Two title cartouches and decorative coat of arms. This map was part of an atlas dedicated to the Duke of Gloucester, who was then attending school in Oxford. The maps were highly regarded at the time for their accuracy. A nice example full color example, with the English coat of arms highlighted in gold and nice wide margins.
