Description:

Rich full color example of this map of Pennsylvania, from the first edition of Carey & Lea's Atlas. Size includes text surrounding map, which includes wonderful contemporary details concerning the topography, indigenous lands, rivers, climate, towns, manufacturing, commerce, education, history, and other information. Roads, towns, rivers, and forts included on map. A bit of splitting at the fold, but still a good example. Carey & Lea's Atlas is highly prized not only for its cartographic information but the marvelous information about each of the states and territories included. The atlas was issued in 6 editions in English, French & German between 1822 and 1827. Minor loss at centerfold, else a nice example
