**Condition:** VG  
**Size:** 14.5 x 13 inches  
**Price:** SOLD

### Description:

Rare map of North America, which names several Western Territories, which never came into existence, including Dessert (Utah od Desseret Terr) and Apacheria (Massive early Arizona Territorial configuration). Badly misconfigured Texas. Highly detailed, with many other unusual features. Maps naming Dessert are very rare and this is the first time we have ever seen Apacheria as a Territorial name!

### Detailed Condition:
