Description:

Scarce French map of the Transmississippi West, colored by Territory. New Mexico Territory is still shown in the vertical format east of the Rocky Mountains. Kansas Territory is in a pseudo tomahawk configuration w/a small Indian Territry belwo. Nebraska Territory extends to the Rockies and Canada. A massive Utah Territory covers everything between California and the Rockies. California is badly misshapen, w/Sutter's Colony in Nevada. Locates towns, rivers, Indian Tribes, forts, missions, Missionary settlements in the Northwest, early explorers routes, and a number of real and imagined geographical features. A nice copy of this scarce and unusual map.
