Stock#: 1707
Map Maker: de Fer
Date: 1717
Place: Paris
Color: Outline Color
Condition: VG+
Size: 13 x 9.5 inches
Price: SOLD

Description:

Attractive example of De Fer's desirable map of America showing California as an Island with coastal names. Early Great Lakes configuration. Mississippi too far to the west. Several rivers extend to the Rockies from the Mississippi. Oversized and interesting South America. Overall a very strong impression of this marvelous map. This issue is from de Fer's Introduction a la Geographie... Upper margin nicks neatline, as issued. Repair to tear that extends into left side of map. McLaughlin 135.
