Description:

Fine old color example of this scarce early map of Florida and the Bahamas, exhibiting tremendous detail for the period.

The map shows early roads in Florida, the Indian Trail which traverses the peninsula, annotations on the Everglades, and many place names. Several early colonies are noted. Excellent detail in the Keys. From Vandermaelen's remarkable 6 volume atlas, which if combined as globe gores, forms an immense globe. Vandermaelen accomplished the first atlas mapping of the world on a uniform scale.

Detailed Condition:

Fine original color. Minor soiling in upper centerfold.
