## New England

**Stock#:** 17238  
**Map Maker:** Smith  
**Date:** 1612 (1880?)  
**Place:** ??  
**Color:** Color  
**Condition:** VG  
**Size:** 13.5 x 11.5 inches  
**Price:** SOLD

### Description:

A nice late example of Smith's map of New England one of the most important American maps of the early 17th Century. Offered here in what we believe to be a late 19th Century example, although the seller believed it to be printed as early as 1850.

### Detailed Condition:

Folds reinforced on verso.
