Detailed map of Virginia, Maryland, Delaware and Pennsylvania, hand colored by counties.

The map pre-dates the formation of West Virginia and only appeared in the earliest editions of Johnson's Family Atlas.

The map shows towns, railroads, roads, post offices, rivers and a host of other details. Nice vignettes of the University of Virginia, City of Baltimore and Dismal Swamp Canal.

#### Detailed Condition:

A few minor spots and some reinforcement at bottom centerfold, else a nice example.
