Description:

Scarce plan of the Northeastern United States and part of Canada, from Le Boucher's *Histoire de la Derniere Guerre, entre La Grande-Bretagne, et les Etas-Unis de l'Amerique*, published in Paris in 1787.

The map provides a nice treatment of the region from New York to Canada, drawn from official French sources, most notably, the very rare Sheet #2 of the *Neptune Americo-Septentrional*. The separate map is rare on the market, this being the first example we have seen in the past 15 years.

Detailed Condition:

Narrow upper left margin, as issued.
