Description:

Interesting map of the Western Mediterranean and contiguous parts of Spain and North Africa, showing the tracks of Engels Koopman in 1648.

The map offered here was used by Vander Aa to illustrate a Dutch Translation of Koopman's travels in the region in 1648. In all, Vander Aa issued 130 translations of important 15th, 16th and 17th Century Travel Narratives to the America, Africa and Asia, which were issued in 28 volumes in the early part of the 18th Century. Many of the narratives are either unobtainable or extremely rare in their original formats. Striking full color example of this beautifully engraved map.
