Stock#: 19054
Map Maker: Asher & Adams
Date: 1874
Place: New York
Color: Hand Colored
Condition:
Size: 23 x 16 inches
Price: SOLD

Description:

Remarkable large format map of Wyoming Territory. The map illustrates the early railroads, settlements, Mining Districts, Indian Reservations, Forts and other important early features. The first separately issued map of Wyoming Territory to appear in a commercial atlas.

Asher & Adams atlas was one of the first United States atlases to exclusively feature railroad lines, showing minimal topography (in this later edition more topographical features are added, earlier editions have fewer features shown) and only showing towns on or next to the railroads lines. The 1874 edition is the first to include a separate map of Wyoming Territory.

Detailed Condition:

Minor toning in margins
