Interesting pair of large format railroad maps, hand colored by counties, from Asher & Adams' scarce railroad atlas.

Many early counties not yet present. In the northern map, a number of early railroad lines are shown, including the Napa Valley or Cal Pac. RR, the Bloomfield RR, the Visalia RR, the Stockton RR (extending to Oakdale), the and the Virginia & Truckee RR. Many gold and silver boom towns and ghost towns are shown in both Nevada and California.

In the Southern map, many early counties not yet present, including Orange, Riverside and Imperial. While ostensibly a railroad map, the only railroads are in Santa Clara, Monterrey and Los Angeles Counties.
