## Iles Vierges -- Port Saint Thomas . . . 1856 (St. Thomas, Virgin Islands)

**Stock#:** 19349  
**Map Maker:** Depot de la Marine  
**Date:** 1856  
**Place:** Paris  
**Color:** Color  
**Condition:** VG  
**Size:** 35 x 24 inches  
**Price:** SOLD

### Description:

Scarce Plan of the Port of Saint Thomas, including a plan of Charlotte Amalia and a highly detailed depiction of the coastal detail.

Includes extensive soundings, sailing directions, a profile of the harbor, plan of the town of Charlotte Amalia and a number of other fine details. We have never seen this chart offered for sale and can find no references to the chart in any reference book.

### Detailed Condition:

Tear in center, extending several inches into map. Tear in left margin, not affecting printed image. A bit of soiling in right side of image and margin. Original paste down label of chart seller in Bordeaux
