Description:

Scarce map of the Southwestern US, shortly before the Civil War. The map is dominated by a massive Utah, New Mexico (pre-Gadsden Purchase), Kansas (including much of Colorado) and Nebraska (including Wyoming). Very early appearance of Arizona Territory (Baylor Line), below New Mexico.

While the earlier editions of this map which include the Republic of Texas, this later pre-Gadsden edition rarely appears on the market. Excellent detail and notations throughout the map, including notes on Indian Tribes, mountain elevations, topography, etc. A great collectors map.
