Description:

Striking example of Wagenhaer's map a portion the Baltic Sea and Coast of Finland.

These gorgeous charts, engraved by Baptist and Jan van Doetecum, embody the latest contemporary knowledge of navigation and position finding and set the standard which was followed for more than a century. Waghenauer's charts are magnificent works of art, which are highly sought after by collectors. An essential map for collectors of the region and the earliest decorative sea chart of the region.

Detailed Condition:

Minor repairs in upper left and right margins
