Description:

Rare Map of the Holy Land, showing the Kingdom of Israel, divided into the 12 tribes, as known during the reign of King Solomon, based upon Biblical prophecies.

The inset in the upper left corner, held by an angel with a cornucopia, shows the position of Salomon's Kingdom in the Near East. A genre scene decorates the title cartouche in the lower left corner. This is the first time we have offered this map, which appears to be quite scarce.
