**Condition:** VG  
**Size:** 16 x 12.5 inches  
**Price:** SOLD

### Description:

An uncommon map of the ancient world, showing the extent of the region the Phoenicians reportedly explored in their trading expeditions.

The area ranges from Iceland to Sri Lanka. The placenames are given in Latin, Greek and Hebrew. from Bochart's *Geographia sacra, seu Phaleg et Canaan*, one of the earliest works to focus on the history of languages.
