### Description:

Detailed Map of Montana, colored by counties, from an early atlas by HH Hardesty.

The map includes Yellowstone County (established in 1884), but predating the formation of Fergus County. Several early Indian Battles are located and dated, including Crooke's Battle Ground and Custer's Battle Ground. The map includes significant detail, including early towns, railroad lines and stations, Indian Reservations, Agencies and Lands, Military Reservations, Forts, early township surveys, lakes, mountains, rivers, etc. Nice detail around Yellowstone as well.
