Description:

Striking full color example of Waghenaeer's map the Algarve coastline.

Waghenaeer was a Dutch pilot who produced the first set of effective navigational charts, under the title *Spiegel der Zeevaerdt*. These gorgeous charts, engraved by Baptist and Jan van Doetecum, embody the latest contemporary knowledge of navigation and position finding and set the standard which was followed for more than a century. Waghenaeer's charts are magnificent works of art, which are highly sought after by collectors.

An essential map for collectors of the region and the earliest decorative sea chart of the region.
